

WHEN IT ROCKS.. ARE YOU READY TO ROLL?

Participate in the 2021 City of Beverly Hills "I'm Prepared!" Employee Pledge Drive

The City of Beverly Hills proudly announces its annual "When It Rocks, Are You Ready to Roll?" employee pledge drive. This year's campaign encourages employees to update their technological preparedness.

It's easy to participate!

- ❖ Using the handy checklist on the back of this flyer, update the emergency preparedness technology you have available.
- ❖ When you are ready, complete the "I'm Prepared" pledge card below and submit to your department emergency management representative. You may also submit a scanned version of your completed pledge via email to: preparedness@beverlyhills.org
- ❖ Using your smart phone and/or tablet download the list of FREE apps today! All apps found on the Apple App Store and Google Play.
- ❖ Remember to sign-up for the Beverly Hills Emergency Notification Opt-In Program by going to www.beverlyhills.org/emergencynotification or by calling 310-285-1014.

Every City employee is encouraged to be prepared in the event of an emergency or disaster. Download the apps and complete the pledge card below to be eligible to win a prize at the end of the month!

DETACH PLEDGE CARD HERE

WHEN IT ROCKS...AM I READY TO ROLL?

Yes! I have updated my technological preparedness.

Signature: _____ Name (printed legibly): _____

Contact #: _____ Email or alternate #: _____

Please submit by April 30, 2021 to your department emergency management representative or send via email to preparedness@beverlyhills.org

Earthquake

MyShake - MyShake provides earthquake early warnings in California for estimated magnitude 4.5 earthquakes and higher to phones in the light shaking (MMI 3) or higher areas. Earthquake early warning provides the opportunity for users to take life safety protective actions in advance of shaking.

QuakeFeed - Check on earthquakes affecting you or your loved ones and gain a unique perspective on earthquakes around the world. Set up zones to watch for earthquakes in a number of easily configurable ways.

Earthquake: American Red Cross - Empower your family to stay safe and remain calm in an emergency by learning how to make and practice an emergency plan. Step-by-step instructions provide you with information regarding what to do before/during/after earthquakes.

First Aid

First Aid: American Red Cross - Learn how to prepare for everyday emergencies via expert advice from the American Red Cross First Aid app by viewing videos, interactive quizzes and simple step-by-step instruction guides.

Pet First Aid - Take care of your furry family member, learn first aid steps for over 25 common pet situations through a combination of text, video and images, and also learn how to identify common toxic substances.

Other

Set up your **Medical ID** in the Health app on your iPhone or download with Google Play for Androids. Medical ID helps first responders access your critical medical information from the lock screen, without needing your passcode. First responders can see information like allergies and medical conditions as well as who to contact in case of an emergency.

iPhone - <https://support.apple.com/en-us/HT207021>

Android - <https://medicalid.app/>

Facebook's: Crisis Response - In an incident such as an earthquake, mass shooting or building collapse, Facebook has the ability to activate safety checks. Facebook users who activate the safety check function will be able to tell friends and family they're safe, find or offer help, and get the latest news and information. <https://www.facebook.com/crisisresponse>
